

PRESIDENT: Discussion. All in favor say aye. Contrary say nay. They are adopted.

SENATOR CULLAN: Mr. President and members of the Legislature, I move that LB 391 as amended be advanced to E & R Final.

PRESIDENT: All in favor say aye. Contrary say nay. The bill is advanced.

SENATOR CULLAN: Mr. President and members of the Legislature, I move the E & R amendments to LB 494 be adopted.

PRESIDENT: Discussion. All in favor say aye. Contrary say nay. The bill...the E & R amendments are adopted.

CLERK: Now there is a request by Senator Duis to bracket 494 until Thursday, March 31st.

PRESIDENT: Is there an objection? Senator Warner objects.

SENATOR WARNER: Could I put an amendment on first and then he can bracket it as long as he likes.

PRESIDENT: Senator Duis.

SENATOR DUIS: May I ask the Clerk a question. My amendments are up there, too, now, aren't they?

CLERK: We have no amendments for you, Senator.

SENATOR DUIS: It is all right with me if Senator Warner puts his amendment, if he has one, on it but I thought I had taken my amendments up there to you.

PRESIDENT: All right. We will take the Warner amendment and then if you choose to ask that it be bracketed at that time, Senator Duis, we will take care of that.

CLERK: We appear to have no Duis amendment.

PRESIDENT: We do.

CLERK: We have not got any Duis amendment.

PRESIDENT: We will take the Warner amendment, in the meantime, and then, Senator Duis, we can address your particular situation. Read the Warner amendment, please.

CLERK: Read. (See page 1137, Journal.)

SENATOR WARNER: Mr. President, members of the Legislature, this is the same purpose that I indicated the other day but there was concern that the wording was not as clear as it ought to be. What this amendment does is clearly, more clearly, establishes that the Nebraska Health Manpower Referral Service, which is the position that Senator Kennedy is volunteering for, I want to emphasize that it is a dollar a year, is to insure that that office or position is established. There was an appropriation for \$30,000 in the Department of Health budget for that function which is for the staff and the necessary expense for that referral service. There also will be an amendment
